

Take Back Program

... Starting July 2008

Your opportunity to “Close the Loop”

We gladly accept the return of any used Play Mart playground equipment to be recycled again!

We proudly offer a 100 Year Warranty on our RSP™. Yet, if your playground has expired its useful life at your site or is no longer needed, we give you the opportunity to be environmentally responsible and earn credit toward new playground equipment, park benches, or any other products we offer.

Closing the Loop

Snapshot of the entire "life" of RSP™ :

Milk Jugs

Ground Milk Jugs

Plastic

Back Program:
RSP™ recycled back into
playground equipment again**

HDPE plastic
produced from
petroleum

Play Mart
Playground

We will pay you to recycle it!

Play Mart thinks so highly of our RSP™ that we pay customers to send it back to us!

- *We credit \$0.10 / pound of RSP™ (e.g. Mega 6" x 6" posts weigh 10 pounds/ foot)*
- *The credit is given towards new products - playgrounds, benches, tables, etc.*
- *Material accepted includes decks, posts, and all parts of equipment made from our proprietary RSP™ plastic lumber.*

•*Effective Date: only playground equipment sold after January 1, 2008 accepted.*

•*Customer is responsible for all freight charges.*

•*We will not accept the return of metal, roto-molded plastic, or any other component materials. Go to www.earth911.org to find a local recycler.*

How do I get credit?

- Call 800 437 5297 to find out how
- *Or* simply ship all RSP™ to:
 - Play Mart, Inc.
 - Attn: Take Back Program
 - 170 Allens Way
 - Somerset, KY 42501
- List the project or organization to whom credit should be applied.
- Play Mart will weigh received RSP™ delivery and give you a statement of the weight and corresponding credit.
