

Photo Instructions

1. Take 2 to 3 different wide angle photos showing the **entire play set**. This helps us to identify your play equipment.

2. Move in closer to the set and take 2 or 3 different angle photos of the **component area** with item(s) requiring assessment. This is crucial in identifying the correct part(s).

3. Continue to move in as necessary to show detail of **item(s)** as illustrated by these pairs of photos.
